ART EXPERIENCES BY
PEOPLE UNDER 21

#21MINUS

The MCA's Teen Creative Agency (TCA) presents 21Minus, a festival of workshops, performances, art installations, and interventions by artists under 21 years old. Engage with the artists. Explore their creations. Transform the museum.

TIPS FOR EXPLORING 21MINUS

Teens are taking over the museum, so you'll find projects in every corner. Feel free to wander and discover.

Searching for a specific project?

- Look for signage on each floor
- Ask a friendly volunteer, artist, or staff member

Enjoy a free snack in The Crown Family Room on the 3rd floor.

Join our finale celebrating our community at 5:30 pm in the 2nd-floor atrium.

Share your experience @tcaatmca

21Minus is curated by the MCA's Teen Creative Agency (TCA).

TCA is a group of curious, creative 15-19-year-olds from all over Chicago who develop public programs at the MCA with artists, museum staff, and other young people. This tight-knit community works to make the MCA a platform for fresh and emerging ideas.

The MCA is FREE for anyone 18 and under. Find out what's happening for teens at the MCA at mcachicago.org/tca.
